ABSTRACT

Astro Group – Building a Safer, Smarter India

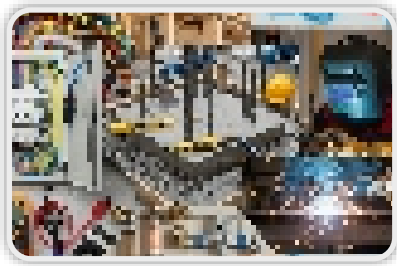

Founded in 2012, **Astro Group** is a trusted name in delivering integrated resolutions across **Infrastructural Solutions, Security and Guarding, Housekeeping & Facility Management, CCTV Surveillance & Monitoring and Warehousing & Logistics**. With over a decade of experience, we have expanded our operations across **Pan India**, catering to a diverse clientele ranging from corporate offices and industrial sectors to residential communities and government institutions.

Our services are designed with precision, supported by the latest technology, skilled manpower, and a deep understanding of client expectations. Whether it's deploying trained security personnel, executing critical infra or electrical projects, or offering round-the-clock surveillance and monitoring, Astro Group ensures quality, reliability, and unmatched professionalism in every engagement.

At Astro Group, we don't just provide services, we build **partnerships based on trust and performance**. Our commitment goes beyond business: **"We believe in working towards a better society, while keeping in mind our client essentials."**

Driven by this motto, our team continuously innovates and adapts to ensure safety, sustainability, and operational excellence across all verticals. As we continue to grow, our vision remains rooted in creating secure environments and strong infrastructure foundations for a progressive India.
